Dear Mr. Morris:

I was happy to learn from [] that noon on 11 August is a good date for the San Francisco Press Club to hear from Admiral Turner about "Changing Directions in U.S. Intelligence." It is my understanding that the Admiral will make his remarks at a luncheon where he will also be honored with a special award from the Press Club.

If you can provide me with a few more details at your earliest convenience it would help us to make our travel arrangements. If in the meantime I can provide any additional information please let me know. We look forward to being with you in August.

Sincerely,

Herbert E. Hetu
Director of Public Affairs
